INDIAN REGISTER REPORTING
FORT WILLIAM BAND

By a letter of June 26, 1990 the Minister informed Chief Christi Pervais of the Fort William Band that he was giving notice, pursuant to subsection 10(7) of the Indian Act that the Fort William Band now has control of its membership.

Henceforth, all additions and deletions with respect to the Fort William Band list will be made by the band itself with no reference to the department.

There remains, however, the responsibility for reporting for Indian Register purposes events which, but for the assumption of the band list by the Fort William Band, would also be reported as band membership events. You should continue to report these events in the usual manner.
