We Are Here To Help

If you are First Nations, Métis or Inuit and attended a Federal Indian Day School, you may be eligible for compensation.

You and others in your community can schedule a personal appointment to meet with a Claims Assistant by phone or by computer.

We will help you fill out or check the status of a Claim Form or an Estate Claim. We will also help you access legal, cultural and wellness supports.

View a list of eligible schools and register for your personal session today at
indiandayschools.com/en/timmins
or by calling **1-877-515-7525**.
